

Why do hackers
go to the bank?

...to make a cache
withdrawal!

Cybersecurity is no laughing matter
but...you can still have fun with it!

Why did the computer
go to the doctor?

...because it had
a virus!

Cybersecurity is no laughing matter
but...you can still have fun with it!

What do you tell a
hacker after a bad
breakup?

...there are plenty of
phish in the sea!

Cybersecurity is no laughing matter
but...you can still have fun with it!

What did the
hacker's out of office
message say?

...gone phishing!

Cybersecurity is no laughing matter
but...you can still have fun with it!

Why did the shopper
avoid the canned meat
at the grocery store?

...his SPAM filters
were on!

Cybersecurity is no laughing matter
but...you can still have fun with it!
